

Hobby Show Has Three Sessions

Prizes For Every Young
Exhibitor—Pets Judged
In Morning, Show At Nite

Every youngster in town who exhibits in the Kiwanis Hobby Show, Saturday, May 25, will receive a prize, besides first, second, third prizes, and special mention awards, in the pet show and hobby section.

The pet show will be held at the grammar school playground, Dr. R. C. Simpson, chairman, announced yesterday, and all youngsters, regardless of age, who wish to show off their pets are asked to have them at the playground before 10 o'clock Saturday morning. S. E. McElfresh will be on hand to take care of them. The show will continue from 10 o'clock until noon. This week notices were distributed to pupils in both schools publicizing the show.

From 2 to 8 o'clock in the school cafeteria, hobbies will be exhibited—painting, art work, photography, saddles, stamp and coin collections and what have you—with Charles B. Klunk in charge. Any would-be exhibitor who has no means of getting his hobby to the grammar school may call Mr. Klunk and arrangements will be made to pick it up.

The evening will be rounded out with a one-act play, "Buddy Buys an Orchid," directed by Mrs. Waverly E. Pratt, to be presented in the school auditorium at 8:15 p.m. The cast includes Buddy, Loren Pratt; Mrs. Bradley, the mother, Elizabeth Doty; Magnolia, negro maid, Sylvia Colbert; Alida, Buddy's sister, Virginia Smith; Bill, Alida's boy friend, Jack Shearer.

Asks Law To Prevent Keeping Of Vicious Dogs In This City

Immediate adoption of an ordinance making it unlawful for anyone to keep a vicious dog on their premises under any circumstances was urged on the city council Tuesday evening in a letter from H. Randolph Wood of 255 North Hermosa avenue, who son Roger, was attacked and badly bitten by two collie dogs owned by John P. Schaeffer of 31 East Alhambra avenue on May 4th. The letter of Mr. Wood said the dogs were "kept in sufficient restraint" on Mr. Schaeffer's property and attacked the boy when he made a business call at Mr. Schaeffer's home. The council referred the letter to City Attorney Walter F. Dunn.

Arrange Schedule For Ball Games

A schedule of the ball games to be played between city league teams during the remainder of May and the first half of June has been completed. Beginning with Wednesday night's game between the Yankees and City Slickers there will be one 9-inning game each Wednesday and Friday evenings instead of two 5-inning games as heretofore. Regular attendants at the games preferred this arrangement. So did the players who believe it will prove more satisfactory. The schedule for the games beginning this evening follows:

May 17, Dodgers vs. Pirates	
May 22, Pirates vs. Yankees	
May 24, Pirates vs. Slickers	
May 29, Yankees vs. Pirates	
May 30, Slickers vs. Dodgers	
June 7, Yankees vs. Pirates	
June 12, Pirates vs. Slickers	
June 14, Dodgers vs. Yankees	

Four-Day Holiday At Local Schools Late This Month

Sierra Madre grammar school students and all boys and girls attending schools in Pasadena will have a four-day vacation late this month. Memorial day, May 30, falls on Thursday, a legal holiday, and the following Friday, May 31, was also made a holiday, making the longest—and only—vacation for students before school closes in June. St. Rita's school will close Thursday, but will reopen on Friday.

Enjoyable Program Accompanies O.E.S. Installation

An enjoyable program arranged by Mrs. A. H. Embree followed the regular meeting of the Sierra Madre chapter, O.E.S., Monday evening, at which Mrs. Frances Nyberg was installed as Ada.

Appearing on the program were George Tyree, who gave four vocal numbers, accompanied by his teacher, Mrs. Blanche Wayne Marfield; four-year old Barbara Newton who presented a tap dance; Frances Robertson, vocal solo; Ernestine Easterling, an acrobatic number and a tap ensemble with Betty Spinks and Florence Rosen, who also appeared in a ballet number with Virginia Embree. All the young dancers on the program are pupils of Mme. Marion de Beaulieu. Later in the evening Mmes. Leila Hosford and Alice Kellett and A. H. Embree served refreshments.

Monday evening Mrs. Mary Wammock, deputy Grand Matron of the 53rd district, will make her official visit to the Sierra Madre Chapter, and visiting Eastern Star members have been invited to attend the meeting by Cecil Sterling Price, worthy matron of the Sierra Madre chapter.

Treat For Lovers Of Music At Wistaria Gardens Sunday

Sierra Madre music lovers Sunday night are sponsoring a musicale at the Wistaria Vine Salon which features Jascha Gagna, noted Southern California violinist.

Gagna, who is a member of the Los Angeles Orchestra Society and nationally known in his field, will be supported by Helen Swaby, pianist, and Herbert Ingraham, talented local cellist, who is a member of the Pasadena Civic Orchestra. The program opens with a trio, Erno Kondo's "The Old Gypsy," and a Russian gypsy air, "Two Guitars." Next comes Ambrosio's "Canzonetta," the Hungarian Dance No. 5 by Brahms, and Sarasate's "Zigeunerweisen," to be played by Gagna with much more charm than the spelling would indicate. The program concludes with two Russian folk songs arranged by the violinist, "Don't Scold Me, My Dear," and "Dark Eyes."

Many dinner parties have been arranged for the event.

Temperatures Well Above Normal

Day and night temperatures considerably above normal were reported by Col. H. B. Hersey for the past week, with no rain recorded, leaving the total precipitation for the season to date at 25.81 inches, against a norm of 22.89 inches for the same period. Temperatures for the week were:

Community Fund Quota Set At \$800

Youth Organizations Sub-
mit Budget— Campaign
Will Open Monday

Sierra Madre Kiwanis club community fund quota will exceed \$800 this year, it was reported at Tuesday's meeting, and first thing Monday morning canvassers armed with subscription blanks, cards and books will start out to cover the city. Frank Spencer is chairman of the committee; R. C. Lewis is secretary treasurer and the teams are captained by Dick Lees and Carl Hansen.

In Lees' team are: William Burr, Dr. L. M. Evans, John L. Fitzgerald, R. R. Hartman, Clarence Huntsinger, Harry Lange, Al P. Madin, S. E. McElfresh, P. R. Penn, Roy Pickett, Rev. A. O. Pritchard, Gus Rihard and Gerald Smith.

Carl Hansen's helpers are J. S. Billheimer, R. O. Calkins, Dr. J. E. Gossard, W. L. Hibbs, C. B. Klunk, Bruce McGill, A. Morse, Dr. M. H. A. Peterson, Waverly Pratt, C. E. Rappole, Dr. R. C. Simpson and R. E. Wright.

All money raised by the community fund will be used for welfare work in the city. "We know that other countries are in need but our first obligation, naturally, is to our own boys and girls," said President Burr.

Organizations benefitting from the fund are Camp Fire Girls, Girl Scouts, YMCA, Boy Scouts, Brownies, a Junior Girl Scout club. At a meeting held at the school recently, some of the organizations submitted their budgets for the ensuing year and told of their plans for youth. Wednesday evening YMCA officials and Boy Scout officers explained their program for the year and showed the benefits the organizations in Sierra Madre derive from being affiliated with the national organizations and San Gabriel Valley council.

Mother's Day in Sierra Madre

WHILE family gatherings honoring Sierra Madre mothers brought gaiety to many Sierra Madre homes, perhaps no single gesture expressed greater sincerity than that of the Esmeralda Club, which honored not only mothers of the members, but every Japanese mother in the community, presenting each with a specially decorated cake and a personal note.

Also in observance of the national tribute to mothers, young friends who have known the motherly assistance of Mrs. Clara Rood Akeley showered her with flowers, and gifts, and many made personal calls at the Akeley home, 89 East Alhambra avenue.

Mrs. J. J. Campbell enjoyed a happy breakfast party surrounded by children, grandchildren and great grandchildren, who arrived early Sunday morning from Los Angeles, to spend the forenoon with Mrs. Campbell, Miss Constance Campbell and Mrs. Mae Field Bettis, of 39 Lowell avenue. During the afternoon, Mrs. Bettis entertained her daughter and son-in-law and four close friends, who also remained to enjoy a pleasant supper.

Mrs. J. E. O'Grady and daughter Julia attended the tea given for mothers at the Vista del Arroyo Hotel Sunday afternoon by the Acolian club of Pasadena Junior College, with which Miss O'Grady is affiliated.

Mrs. Samuel Levinson, 187 North Sunnyside avenue, received gifts and greetings from members of her family who were unable to be present, including Mrs. Sidney Factor (Dorothy Levinson) who is touring Canada with her husband, Mrs. Levinson enjoyed the day with Mrs. Max Factor and a group of close friends, whom she entertained at dinner.

Mr. and Mrs. Don Burt of Santa Monica, parents of Mrs. Anthony Luz, and Mrs. F. D. Potter of Rosemead, grandmother of Mrs. Luz, were entertained at the Luz home, 45 Olive lane.

Mr. and Mrs. A. E. O'Banion were entertained at dinner at the home of their daughter and son-in-law, Mr. and Mrs. Howard.

Kiwanians To Hear Farewell Sermon Of Mr. Pritchard

Sierra Madre Kiwanians will attend morning services at the Congregational Church in a body Sunday morning to hear Rev. A. O. Pritchard's last regular sermon before his recently announced resignation is effective early in June. Sunday, May 25 is Children's Day, and the following Sunday will be Communion. Mr. Pritchard is a charter member of the Kiwanis club.

Start Drive For A War Relief Fund

City's Quota Set And Red
Cross Chapter Goes Into
Immediate Action

Sierra Madre American Red Cross chapter's quota in the \$10,000,000 War Relief Fund is \$1,200, and immediately following receipt of a telegram from Chairman Norman H. Davis Friday announcing this fact, the local chapter under the chairmanship of Thomas M. Schwartz, made plans to raise the necessary amount. A total of \$276.81 towards the goal was reported yesterday.

At a meeting of the directors Monday evening, Mrs. Helen Lovejoy was appointed chairman of downtown solicitations, and a special committee named to take charge of the campaign with C. W. Jones, chairman; Mrs. Jessica Wright, Mrs. Lovejoy, Mr. Schwartz, chapter chairman, and Viola Backes, publicity chairman, were named ex-officio members.

Sierra Madre's quota is not an exorbitant one. Taking as a basis the 800 local members, a breakdown shows that it means approximately \$1.50 per person, and according to population, it means the price of a show or two packs of cigarettes, or the difference between a roast and a stew for Sunday dinner!

The unwarranted invasion of Holland, Belgium and Luxembourg by powerful military forces is causing untold and widespread suffering and hardships among millions of helpless men, women and children. For this reason, Governor Culbert L. Olson issued a proclamation Saturday proclaiming "the existence of an emergency requiring the extraordinary services of the American Red Cross, and soliciting the assistance of all citizens in the State of California to the end that our state shall respond to this great humanitarian responsibility."

Funds received in this campaign will be applied wholly and exclusively to war relief work and no part will be applied toward the regular activities and program of the Red Cross nor to meet expenses of this drive.

As an illustration of the co-operation by foreign countries during times of distress in America, Cuba contributed \$66,519.67 during the Mississippi flood of 1927, and France, \$20,519.67. During the 1937 flood in the same territory, the Bahamas contributed \$5,193.98; Canada, \$42,769.20 and China, \$29,781.29.

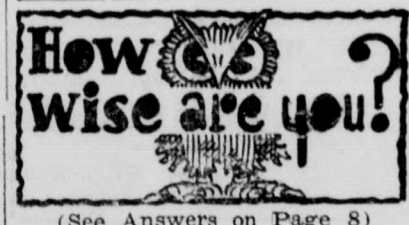

Posters, placards and cans bearing the words "War Relief Fund," have been placed in prominent locations throughout the city calling attention to the appeal, and contributions will be gladly received at the Red Cross office as well as by volunteer workers who have stands in the business district. Contributions of any amount will be greatly appreciated.

May 25 Proclaimed As Poppy Day In Sierra Madre

A proclamation designating Saturday, May 25, as Poppy Day in Sierra Madre was issued yesterday by Mayor W. J. Schultz. The proclamation, in part, follows:

"Whereas, more than one hundred thousand young Americans were called upon to sacrifice their lives that America might be secure as the land of liberty, justice and democracy,

"Now, therefore, I, W. J. Schultz, Mayor of the City of Sierra Madre, believing that the memory of their high patriotic sacrifices should be kept bright for the inspiration of America, urge all citizens to wear their memorial flower, the poppy, on Saturday, May 25, and give for the poppy as generously as they are able to aid the war's living victims, the disabled veterans and dependent families.

Announce Date For Summer Dance Of The Firemen

Keep Saturday evening, June 22, open, Fire Chief W. D. Richards advised Sierra Madreans yesterday, for everyone interested in dancing and a good time has a date at the Woman's clubhouse that evening when the city's volunteer firemen hold their annual summer dance, with proceeds going into the men's uniform fund. A good orchestra will play for dancing and there will be games for those who do not dance.

Honor Pastor On Eve Of Retirement

Fine Testimonial Presented
Rev. A. O. Pritchard At
Big Family Dinner

Two hundred members, friends and their families assembled in the social hall of the Congregational church on Wednesday evening to honor their pastor, Rev. Arthur O. Pritchard, who will retire from the church in June after a pastorate of over 14 years.

A chicken pie dinner was served by a committee from the woman's society at tables artistically decorated with Mexican primroses. Al Miller, chairman of the board of directors, welcomed the guests and introduced Mr. and Mrs. Franklin H. Warner of Claremont, life-long friends of the pastor, who spoke of their early acquaintance with Mr. Pritchard.

Mrs. Lorena Hull, secretary, read and presented the guest of honor with a testimonial letter signed by members of the church. In accepting it, Mr. Pritchard spoke of his great affection for everyone he has been associated with in the church, and emphasized the fact that he has endeavored to make his life a personification of the Christian life and carried out the ideal of being a friend to all.

C. W. Jones presented a suggestion originated by E. D. Burbank, that Social Hall be dedicated to Mr. Pritchard and henceforth be known as Pritchard Hall. This suggestion was made in the form of a motion and unanimously carried. Three selections were sung by Samuel Kirk, accompanied on the piano by Mrs. Kirk.

The committee in charge of the dinner consisted of Mrs. R. C. Copenhaver, Mrs. Nestor Young and Mrs. Eva D. Moore. Other committees from the woman's society arranged tables and decorations. Hosts and hostesses at the dinner were: Mr. and Mrs. F. H. Hartman, Mr. and Mrs. C. W. Jones, Mr. and Mrs. George Morgridge, Mr. and Mrs. N. W. Tarr, Mr. and Mrs. Conyers Twycross, Mr. and Mrs. Clay Reavis, Mr. and Mrs. Ben Mobley, Mr. and Mrs. R. H. Pickett, Mr. and Mrs. W. O. Preston, Mr. and Mrs. Al Miller, Mr. and Mrs. Tom Schwartz, Mr. and Mrs. John Spoelstra and Mr. and Mrs. William Burr.

Feast Of St. Rita Is Set For May 26

Annual Celebration With
Blessing Of Roses Brings
Hundreds Here

The annual celebration of the Festival of St. Rita of Cascia, which each year brings hundreds of Southland residents on a pilgrimage to St. Rita's Shrine here, will be solemnized Sunday, May 26. High mass will be at 11 o'clock, and at 3 in the afternoon Father Edward Viti, C.P., from the Passionist Monastery will give the sermon on St. Rita, and will conduct the blessing of the roses and benediction of the Blessed Sacrament.

There will also be a special musical program by the adult and young peoples choirs. In preparation for the Feast, a novena will be started May 17, and devotions will be held each evening at 7:30 at St. Rita's Altar by Father Augustine Scannell.

The origin of the blessing of the roses goes back to the year 1456, when in Cascia, Italy, St. Rita, who since her canonization in 1900 has been called "The Saint of the Impossible," requested a rose from the garden. As the time was mid-winter, the request was considered beyond fulfillment, but a relative going into the garden found one perfect rose in bloom, although the ground was white with snow.

Since the establishment of St. Rita's Shrine thousands of visitors have made the pilgrimage at the time of St. Rita's Festival and many devoutly proclaim the many favors which have been received through the intercession of St. Rita.

City Council Orders Its Reorganization Plan Effective June 15

Lewis Resigns By Request
But Hogan Refuses And
Is Dismissed

City council's plan for reorganization of the city departments was put into effect at Tuesday night's council meeting precisely along the lines indicated in last week's issue of the SIERRA MADRE NEWS.

Joseph Hogan, in charge of the city's pumping plant for 18 years, had refused the demand for his resignation and was dismissed, effective June 15. Daniel H. Lewis, assistant superintendent of the street and water departments, city purchasing agent, and until recently deputy city clerk, submitted a letter. He said he was resigning to comply with an oral demand from the council made on May 6. This is what happened at the council meeting.

Following reading of Mr. Lewis' resignation a letter from Councilman John Froehlich, now in the East, was read. Addressed to his colleagues it advised them he had agreed to and was in sympathy with the plan for reorganization. Councilman Miller seconded by Carter moved that the Lewis resignation be accepted. Mr. Miller said the reason for this was that under the proposed new setup the water superintendent would also be the purchasing agent which was desirable in view of the fact that most of the city's purchases are for the water department.

Mr. Carter said that as chairman of the council's water committee it became his unpleasant duty to recommend the removal of Joseph Hogan at the pumping plant. He said Mr. Hogan had been a faithful employee for the past 18 years and had done much constructive work in the water department; that he had operated the plant very efficiently and shown a real devotion in his service. As Mr. Hogan is now approaching 68 years of age it was inadvisable for him to carry on a type of work where he has to deal with machinery and pumping equipment and work for long hours during the heavy

pumping season, Mr. Carter said, and it therefore became necessary to relieve him of his position. Mr. Carter said he regretted the city has no pension program as Mr. Hogan "is certainly entitled to one." Mr. Carter's motion for Mr. Hogan's removal was carried unanimously.

Mr. Carter said that contemplated changes in the water and engineering departments will effect a reduction in operating costs and increase their efficiency. He then moved that William H. Schwartz be appointed water superintendent and city purchasing agent at a salary of \$155 per month, effective June 15, and this was also done by unanimous vote.

William Gollaty of 625 West Grand View avenue, addressing the council, said he had listened to the proceedings in which the city had dispensed with the services of two old and faithful employees with much interest. "And now," he said, "I seriously question your ability to proceed efficiently and economically by such an act of unfairness and injustice."

John P. Schaeffer of East Alhambra avenue asked the council whether any salary was attached to the position of purchasing agent and was informed that under the new setup the salary of William Schwartz will cover his duties of water superintendent and purchasing agent.

Councilman Miller, seconded by Schwartz, moved that Samuel L. Graham be appointed city engineer at \$155 a month, an increase of \$15 a month, effective June 15. Seconded by Councilman Miller, Mr. Carter then moved that Al Freeland, a utility man at the water department be appointed helper at the pumping plant and that he be privileged to occupy the home at the pumping plant now occupied by the Hogan family, with free rent.

There was no mention in the proceedings of Marion Hays, who has been superintendent of both the street and water departments. He retains his title as street superintendent and becomes foreman of the water department.

Truckload Of Local Boys Going To PJC Field Track Meet

Sierra Madre boys of grammar and Junior High school age will join athletics from the San Gabriel Valley for the Kiwanis boys' track meet at Pasadena Junior College field at 1:30 tomorrow afternoon.

Boys who do not have transportation are asked to meet at the city hall at 1 o'clock where a city truck will be available to take them to and from the Pasadena field. Permission to use the truck was granted at Tuesday's council meeting.

There are eight events in Class A, for boys 15 and 16 years of age—50-yard dash, 100-yard dash, 220-yard dash, broad jump, high jump, baseball throw and football throw.

In Class B, for boys 13 and 14 years of age, and Class C, for boys 10 to 12 years inclusive, the events are the same with the exception of the 220-yard dash.

Jr. Women Hold May Dance Tomorrow

Annual May dance given by the Sierra Madre Woman's Club Juniors will be held at the Woman's clubhouse tomorrow evening. A splendid orchestra will provide music for dancing and specialty acts have been provided.

WHEN I CAME TO SIERRA MADRE

By C. W. JONES
First Mayor of Sierra Madre

BEFORE Sierra Madre's streets were paved and adequately guttered it was not an uncommon thing during heavy rains to have great damage from uncontrolled streams of flood water. Mountain Trail avenue, Grand View avenue and North Adams street were completely destroyed at different seasons, for from two to three blocks, when they were washed out to a width of 10 to 20 feet, and as much as 15 feet in depth, and the debris carried on to private property below.

The flood damage in March, 1938, would have been a thousand fold greater had it occurred before the streets were paved and guttered.

The first ordinance of intention for public work was the paving of Central avenue (now Sierra Madre blvd.) from west city limit to Baldwin avenue. This was soon followed by similar action on Baldwin, its entire length; Highland, Grand View, Sunnyside, Lima, Mountain Trail

avenue and so on until there had been paved and guttered over 11 miles of what had been narrow and rough drive-ways, definitely in the raw.

Sierra Madre blvd. was studied by several magnificent live oaks between curb lines. Many recent arrivals in Sierra Madre may have wondered why the P.E. tracks as they come into the city at the west, curve to the north, instead of continuing straight ahead. Here is the explanation. When H. E. Huntington was constructing the track it was discovered that to continue on said straight line, it would have necessitated the removal of all of those beautiful oaks.

That was contrary to his principle, and of many of Sierra Madre's aesthetic minded. Hence the dodging track was the result. Those trees remained in the middle of the street for many years, but the hazard to motor

MISS KATHLEEN MOOTE TO
BE MARRIED JUNE 14

FRIDAY evening, June 14, has been chosen by Miss Kathleen Eleanor Moote as the date for her wedding to the Rev. Dwight H. Poundstone. The ceremony will be performed by the Rev. Stewart R. Sheriff at the Congregational Church.

Miss Moote has chosen her sister, Mrs. Graeme Smith, for her matron of honor, and as her bridesmaids, Miss Frances Poundstone, sister of her fiancé who will come from Florida for the wedding; Miss Virginia Stone, Mrs. Horace Bissell, and her sister, Miss Dorothy Moote.

Miss Moote, who is a native Sierra Madrean, is the daughter of Mr. and Mrs. F. D. R. Moote of 689 West Sierra Madre blvd.

She is a graduate of the University of California at Los Angeles where she was affiliated with the Alpha Areta sorority.

For the last two years she has been teaching at the elementary school at Somis, in Ventura county.

Mr. Poundstone is the son of Mr. and Mrs. R. W. Poundstone of Los Angeles. He is also a UCLA graduate and graduated last year from the Westminster Seminary in Philadelphia. He is now pastor of the Beverly Presbyterian church in East Los Angeles.

Miss Moote was honored Saturday with a miscellaneous shower given at the home of Mrs. Urban Underwood in Moorpark, and attended by a group of school teachers with whom she has been associated for the last two years.

Grammar School Notes

ART classes in Mrs. Wheeler's 6A room are studying the various sections of a flower. Later they will make articles in copper, linoleum, wood and clay. In geography, the unit of work is the British Isles. The mineral identifying chart, which was exhibited at Open House, is on display in the room.

—Leonard Shapiro.

In Mrs. Gardner's class we are studying about ancient times and have made pictures of the ancient world. In spelling we have words on the ancient world. In arithmetic we have been doing fractions, and now are learning the multiplication, addition and subtraction of decimals.

—Richard Quinn.

The 5A class is studying the United States and is writing letters to different states in the Union asking for folders and information. In arithmetic we are doing long division, addition, and multiplication.

—Malcolm Gerschler.

In Mrs. MacKenzie's 7A arithmetic class students are working on percentage and decimals. In English the class is studying correct pronunciation of words and also to write correctly. Everyone has been practicing filling in a blank map of the United States, with states, mountains, rivers and lakes.

—Herbert Bernstein.

Miss Moote's 5A class is studying the western states and their industries. For arithmetic we are studying fractions, from top to bottom. We are learning about quotation marks in English. In art class we made block prints for Mother's Day.

—Julian Weber.

Newly elected officers for Mr. McElfresh's 7A class are Bobby Marshall, president; Henry Yoshimoto, vice-president; Kenneth Bley, secretary; Wallace Carroll and Don Anderson, lost and found department; Walter Biely, entertainment; Joseph Cox, bulletin board; Wanda Dalton, decoration; Arthur Hoshino, desk inspector. —Henry Yoshimoto.

Twelve to 4 and 12-4 were the results of the two softball games played recently by the 7th and 8th grades. The first game, played May 9, was won by Mr. McElfresh's class, 12-4. The lineups were as follows: 7th grade: Bob Cass, Mike Castaneda, Joe Cox, Truett McCullagh, Henry

Difficulties are things that show what men are.—Epictetus.

IT'S RIGHT HERE

That certain feeling is in the air again. It deceives no one, betokening as it does, fast approaching vacation time, a temporary unshackling of the chains of routine, enabling all of us—as fancy suits—to beat a hasty retreat into cool, mountain fastness, to bask at ease on beach sands hard by the thunderous surf, to whip the sparkling streams of the "high country" for trout, or to point the nose of the family car toward roads that go adventurously winding into unfamiliar regions.

Begun travel posters and new road maps are beginning to hold down first place at the family conference table, and that perennial question of the pre-vacation season—"Where shall we go this year?"—is again troubling the noon's repose and precipitating hot debate in the family councils.

To that query we venture to supply an answer, "See California first!" More than loyalty to our State prompts this. Plain common-sense endorses it. Only consider: Do you like high, rugged mountain country with majestic vistas? Do you favor wide, sweeping beaches where you can

swim or laze in the sun? Do you like picturesque coastal country where broad expanses of green fields sweep down almost to the water's edge, or where towering cliffs rise steeply from a pounding surf? Camping, hunting, fishing or hiking? California offers all of them! From Crescent City to San Diego, there's vacation-land in California. And if her outdoor wonderland fails to appease your appetite, you can season your vacation's menu with a choice array of fiestas, rodeos, county fairs, historical pageants, regattas, and a World's Fair at Treasure Island.

There's common-sense, thrift, and a grand vacation contained in those words, "See California first!" Why not try it?

STATE PICNICS

The annual picnic reunion of the Missourians will be held all day, Saturday, May 25th, in Sycamore Grove.

Largest Memorial Day crowd in California is expected at Sycamore Grove on May 30, to witness the greatest program ever held in the Los Angeles park, according to Attorney Harry C. Mabry, president of the Oklahoma State Society, and director of the Federation of State Societies. The program will start at 2 p.m. Although this program will be sponsored by the Oklahoma State society, former residents of every state in the nation, as well as native Californians are invited to attend. There will be no admission.

New Foresters Take Lessons For Use In Hazard Season

Ten men, including Ranger C. Ellsworth Harlan and his staff from the Santa Anita District Ranger Station, spent Tuesday at Barley Flats, scene of a bad fire in 1936, as the Angeles National Forest inaugurated a new system of instructing men for fire control and other forestry work. New guards and patrolmen who will be placed on duty June 1 were taken to the Flats over the Angeles Crest Highway to discuss problems.

The Barley Flats fire was one of the most menacing blazes in the forest in years, and threatened the entire back country northeast of Red Box divide.

The men returned to Sierra Madre Wednesday by way of the West Fork of the San Gabriel Canyon and Santa Anita Canyon, studying various forest problems along the way. While in the back country they also studied recreational problems as found around Charlton Flats and the Chiloa Valley. Four other districts of the Angeles Forest will hold field seminars similar to this one.

BLOOMING FIELDS MAKE TRIP ENJOYABLE

Crimson Lake Bougainvillea, and fields of gladioli and ranunculus in full bloom make the drive to San Diego particularly interesting at this time of the year in the opinion of Mr. and Mrs. C. H. Hagey of 693 West Grand View avenue, who drove to the southern city Saturday accompanied by their daughter, Mrs. C. C. Davis, who has been their houseguest for the last month, and was returning to her home in San Diego.

RUG MAKERS TO SHOW HANDICRAFT

Sierra Madre women who are interested in rug making and who attended classes at the local school in recent years will be interested in the announcement that on Thursday, May 23, from 10 a.m. to 2 p.m. in room 205 at the Altadena Elementary school, 615 Calaveras street, the WPA adult education class in book and braided rugs will hold an exhibition of its work. The public is cordially invited to attend.

PASADENAN HELD FOR RECKLESS DRIVING

John W. Alderson, 17, of Pasadena, will appear before Judge T. W. Neale in city court at 1 o'clock today to answer charges of reckless driving and driving on the left side of the highway. Saturday evening his car struck the fence at Esperanza and Hermon avenues. He hit the culvert at the northeast corner then went across the sidewalk and through the fence at the southeast corner.

One of America's greatest reporters has gone with the passing of Webb Miller. It was a strange irony of Fate that sent this celebrated correspondent to his death in a London railway station—a man who had covered four major wars and whose zest for adventure had crammed into his 48 years more excitement than the average man encounters in ten lifetimes. Despite his oft-professed desire to withdraw from newspaper work and seek a life of quiet contentment in the New England countryside, the call of the great events was something he could never resist.

For a quarter of a century you could count on finding him on the major newsfronts of the world where his uncommon skill and devotion to his craft well earned him the tribute the world has paid him! He was a great reporter!

There were 1,590 persons killed and 7,280 persons injured in motor accidents at railroad crossings in the United States during 1939, reports the Public Safety Department of the National Automobile Club. All drivers should "Stop-Look-Listen."

The American mother for 1940—69 year old Mrs. Charles H. Mayo who reared eight children of her own and an adopted daughter and foster son—has no formula for being a successful mother. But the silver-haired widow of the world-famed surgeon does have positive views on what things are most precious and worthwhile in life. One of them is not keeping up with the Joneses, or putting material wants first. For she says, "If it were a question of having a baby or a new car, I would advise a young couple to have the baby. I'd take the baby first every time and go in a wheelbarrow!" Children, she believes, are worth great sacrifices. As the successful mother of ten she knows whereof she speaks! Maybe, as she hints, we tend to place too much emphasis on standards of living and not enough on the values of living. Her words, at least, are something for young couples to ponder seriously.

A little learned research by Dr. Arthur P. McKinlay, professor of languages at the University of California, discloses the fact that the word "touch"—derived from the Latin slang term that means "touch." During the last 500 years of the Roman Empire's existence, Dr. McKinlay declares, the average Roman citizen was "touched" pretty regularly and pretty heavily. In fact, it got to resemble more of a push than a touch.

California's wares can once more go down to the sea in ships! After months of anxious entreaty, the cry of the Pacific Coast, "We want ships!" has moved the House of Representatives to take steps to supply them. A measure it has just passed, authorizing the Maritime Commission to sell or charter ships to domestic operators, will put into service nearly 100 vessels. This is a major victory for California and other Pacific Coast states. Hundreds of thousands of dollars worth of goods, already bought and paid for, have stood landbound for want of ships to carry them to the Atlantic seaboard. Tempted, due to the war, by more profitable routes elsewhere, or sold to foreign countries, the number of ships customarily plying the intercoastal routes has dropped by 22 per cent. The needless hardship thus inflicted on the industry and agriculture of the West will now be speedily remedied. Thanks to the action of the House and the Maritime Commission, California's products can once more find sea routes East.

It's an ill wind, as they say, that blows nobody good. Even the mighty winds of oratory which now and again soar through the halls of Congress fill a helpful place in the natural scheme of things. We have the word of Rep. Leonard W. Schuetz of Illinois for it. And he has, among other things, a heated House debate on wage-and-hour amendments to think for. Deaf since birth in one ear, Rep. Schuetz had his hearing magically restored to him when Rep. John Taber (N.Y.) of the stentorian voice rose to his feet in the course of heated argument and emitted—according to all present—a particularly violent fog-horn blast. Presto! Rep. Schuetz could hear with his long deaf ear. What medical science had failed to achieve over a period of years, the gusty winds of oratory had accomplished in the twinkling of an eye. Let no one say that an ill, and particularly a loud, wind blows nobody good. All of Congress knows today it can even accomplish a miracle!

How is the war affecting the United States? From the humming aircraft plants of Southern California comes one answer—a backlog of \$150 million in orders for military planes, the largest deliveries on record during the last three-month period, and a payroll of 40,000 workers which is steadily growing. Another

WEEKEND CAMPOREE OF BOY SCOUTS WILL DRAW 250 PATROLS FROM VALLEY CITIES

When the Boy Scout Camporee is held at Santa Anita Park tomorrow and Sunday, Sierra Madre's two Boy Scout Troops will each draw merit badges to determine what phase of Scouting they will demonstrate at the Pasadena-San Gabriel Valley Scout-o-Rama next fall, November 16-17, at Brookside Park, Pasadena. For the first time, troops of the entire district are being invited to participate in this third annual Scout-o-Rama which is planned to be the biggest single event in Scouting west of St. Louis.

W. A. Kinney of this city will be one of the directors of camping at the Camporee this weekend and will assist A. M. Thomas, in charge of records. This will be the largest Boy Scout camp ever held in the area and will comprise about 250 patrols and Sea Scout Ships. A colorful spectacle will be presented as each patrol pitches its camp Saturday afternoon. By 3:30 o'clock the entire camp will be established and there will be an inspection of Sea Scout Ships by flag officers of the council, followed by a beautiful ceremony.

A campfire program of unusual interest and open to the public will be staged Saturday evening in the baseball stadium. A pageant will depict the four stages of scouting—cubbing, scouting, sea scouting, explorer and rover scouting. Comedy magicians will perform and there will be music. A non-sectarian Scout church service will be held in the park after breakfast Sunday morning, to be followed by another period of inter-camp visitation and demonstration. A band concert at 2 o'clock by the McKinley Junior High School Band of Pasadena will precede closing ceremonies which will also be held in the stadium.

Great Music Fiesta Benefit For Milk Fund Of The PTA

More than a score of Southern California cities will be represented in the mammoth Southern California Musical Fiesta to be held June 1 at the Los Angeles Coliseum.

Embracing every form of Southern California's musical and entertainment talent, the fiesta will present 6000 performers in the largest and most diversified extravaganza ever staged west of the Mississippi River. Approximately fifty musical groups will be combined to compose the 2500 piece mass band. Screen and radio personalities, 300 drum majorettes, dancing ensembles, drill teams and equestrian groups will be presented.

A fireworks display will conclude the program, net proceeds of which go to the Parent-Teachers Association Milk Fund.

NEW COURSE IN SHORT STORY WRITING

"As the war goes on," predicts Marep Elwood, University of California Extension Division lecturer, "we shall have more fiction showing courage in daily living, as well as many stories of 'escape' or wishful thinking that comes true, in our magazines."

Miss Elwood opened a new "Short Story" on Monday, at the YWCA, 78 North Marengo avenue, in Pasadena. There will be practical teaching in the actual writing as well as study of related phases of the work, such as markets, "planting," "foreshadowing," editorial requirements and there will be class assignments and criticisms. This course is under the Extension Division and the next session is open free of charge to all those interested. The class meets each Monday.

SIERRA MADRE FIRM TO INSTALL PUMPS

Contract for installation of the new booster pump at the water works has been awarded by the city council to the Sierra Madre Electric Company on its bid of \$427, it being the lowest of three bids presented.

answer comes from the nation's agriculture empire where the tuns and blockades of Europe have sharply altered Spring planting intentions. In the South's tobacco lands, there will be a 21.5 per cent cut in acreage from last year. America's cotton field acreage has been slashed by nearly 40 per cent. In consequence, cotton growers in Dixie and in California face the hazard of not being able to make ends meet. California's dried fruit industry, formerly a \$50 million a year enterprise, has likewise been walled off from many of its former export markets. Scandinavian waters, now a part of the forbidden war zone, have severed still more of America's trade lanes with countries abroad. All this adds up to one fact. The United States must seek to increase consumption at home and utilize to the fullest all her available resources of distribution—resources never more urgently needed than now.

EPISCOPAL GUILD TO MEET ON TUESDAY

St. Catherine's Guild of the Church of the Ascension will meet Tuesday afternoon, May 21, at the home of Mrs. William Lauren Rhoads, 529 West Highland avenue. Members are asked to bring needles and thimbles for Red Cross sewing.

Republican Women Begin Study Of Party's Aims In 1940 Campaign

A study of the principles and objectives of the Republican party was begun last Thursday by the Sierra Madre Council of Republican Women who held their first meeting of the year at the residence of Mrs. Frank A. Spencer, vice-president, who presided in the absence of Mrs. C. A. Allen, president. The attendance exceeded all expectations and announcement was made that the study would be resumed at a meeting to be held June 6, and continued throughout the year. All women of the city are invited.

The Dr. Glenn Frank committee report on a program for a dynamic America is the basis for the study undertaken. Mrs. Jessica H. Wright was chosen to act as leader in the study and gave a brief summary of the Republican party's accomplishments as a minority party in Congress during the last seven years, outlining the motives back of the creation of the Glenn Frank committee. She emphasized particularly that the report represented the opinions of the rank and file of the Republican party.

and not that of any groups of special interests.

Mrs. Wright explained that the most democratic methods have been followed in selection of the committee, 200 men and women from all sections of the U.S. having been appointed by the National chairman, with freedom to add to their number as they found expedient. Over two years were devoted, not only to collection of vital data, but to contacting all classes of people, individually, as well as in subcommittee meetings, all over the country.

The finished report, which was a condensation of all the regional and subcommittee reports, was submitted to every member of the original committee, for criticism or concurrence. Mrs. Wright said, and was turned over to the Republican National Committee finally with practically unanimous approval of its component parts as well as in entirety.

At the next meeting, June 6th, to which all women of the city are invited, a detailed study of the report, section by section, will be studied.

Everetts To Spend A Year Touring U.S. And Canada

Capt. and Mrs. E. G. Everett of 68 Vista Circle drive left Wednesday morning for a transcontinental tour, which will keep them traveling for the next year. Upon leaving Sierra Madre they went to Long Beach for a few days and then will motor up the coast to Portland and Seattle. Capt. Everett's former home. At Vancouver they will cross into Canada and come back into the States at Minnesota where they plan to attend the Kiwanis International Convention in June. They will then follow a northern route into New York state and visit the district where Mrs. Everett formerly lived, before going into Maine for the rest of the summer. In October they will go to Florida for the winter and next May will return to Sierra Madre.

Capt. and Mrs. David Reeves, former residents of Sierra Madre who have been living at the Pacific Palisades, will occupy the Everett home while they are away.

200-VOICE CHORUS TO SING IN PASADENA MUSIC FESTIVAL

The fifth annual Pasadena Music Festival will open a 10-day program of nine events, seven of them free to the public, with a vesper service in the Pasadena Civic Auditorium Sunday afternoon at 4 o'clock. The Festival will run from May 19 to May 29 and features the first major performance in America of Handel's "Belshazzar."

Three stars of the New York Metropolitan Opera, Elizabeth Reithberg, soprano, Douglas Beattie, bass, and Charles Kullman, tenor, will be heard in an operatic concert Tuesday night, May 21, and in solo roles for the "Belshazzar" presentation May 23. These are the only paid events.

Beattie will sing several Brahms numbers at the vespers. The 200-voice Music Festival Chorus, under Dr. Richard Lert, also will sing at the vespers and will be joined for the grand finale by chorists from a dozen other Southland communities in singing Handel's Hallelujah chorus from "The Messiah."

WOMEN TO GREET MRS. TAFT AT LUNCHEON

Republican women are planning a big public luncheon in the Wilshire Bowl in Los Angeles next Tuesday, May 21, noon to 2 p.m. to honor Mrs. Martha Taft, wife of Senator Robert A. Taft of Ohio and a leader in women's philanthropic and political affairs. Mrs. Taft comes to California tomorrow at the invitation of the California Council of Republican women to address their state-wide convention in Fresno. She arrives in Los Angeles Monday.

Romance Of Lamps And Lighting Is Told Grammar School Pupils By Expert

Romance of lamps—the development of artificial lighting from the days when cave men first used artificial light in the form of fire, to the first incandescent lamp invented by Thomas A. Edison in 1879, was interestingly told by George Rankin, director of lighting for the Southern California Edison Company, at a grammar school assembly Wednesday morning. Mrs. Yorda Adams' class has been studying the history of lamps, and the program was arranged by her.

Down through the ages man has been impelled to develop new and improved means of artificial lighting Mr. Rankin said, and

carried the story from the time pine knots were the first portable lights, clay lamps with animal fat candles, crude clam shell lamps with rush wicks, alabaster lamps used by the Greeks, and chandeliers with candles used in the French Renaissance period, still used as a model. The accidental experiment of Argon, a French scientist, who placed a broken bottle over a candle and discovered its workability, meant the basis on which kerosene lamps were built.

Mr. Rankin illustrated his talk with light globes and lamps. Of special interest was a 1,000 watt Mazda incandescent lamp.

RECOGNITION COMES TO SIERRA MADRE

Recognition seldom accorded the state's smaller cities came to Sierra Madre this week when Councilman Tom Schwartz was appointed to a member of the nominating committee for the Los Angeles division of the State League of California Cities which opened its annual convention at Pasadena Thursday.

Mr. and Mrs. M. Penn Phillips, 200 Olivera Place, returned Tuesday evening from a three weeks vacation trip to Victoria.

Charles Hull of Kingman, Ariz., is enjoying a week's visit at the home of his parents, Mr. and Mrs. W. S. Hull, 542 West Montecito avenue.

A. L. A. Activities

Miss Minnie Stinman was elected secretary and Mrs. Charles Evans chaplain of our unit for the remainder of the year. Welcomed into the ranks as new members were Mesdames Ross Marshall, Charles Evans, and Lloyd Welch.

Poppy awards will be made at the school house at the Memorial Service on May 29th. Students receiving awards include Jean Davis, Virginia Embree and Rowena Shipway. Honorable mention to John Woehler, Leila Pickett and Mary Jane Dawes. A new ways and means plan will be presented at our next regular meeting on May 23rd by Mrs. Anna Block. Poppy Chairman Florence Jensen had stickers pinned on the red paper poppies to be sold on Poppy Day next week. She will need the whole-hearted cooperation of each unit member for this sale. The Wistaria Theatre has offered use of its lobby for poppy sales. It is such acts of kindness that makes it so pleasant to live in Sierra Madre.

BROWNE SCOUT TROOP HAS PROMISING START
 Carter members of the Browne Scout Troop organized last week are Patricia Marshall, Regina Andrews, Mignon Murphy, Carol Pierson, Sally O'Donnell, Sylvia Smythe, Marian Jones, Susan Hirsch, Diane Mason, Marilyn Simpson, Patricia Keating and Dolores Bailey. Leaders are Mrs. Raymond D. Andrews and Mrs. Steve O'Donnell at whose homes the regular Wednesday meetings will be held.

Woman's Club Notes

AN American silver tea, an-
other in the series of inter-
national teas given this year
by the Sierra Madre Woman's
Club, will be held at the club
house at 2 o'clock, next Wednes-
day afternoon in celebration of
the organizations 33rd birthday
anniversary, which was founded
in 1907 by Mrs. Caroline Lincoln
Osgood, with a membership of
53 women.

Since that time the Club has
been carrying forward the ideal
of the founder, "to promote unity
and good fellowship among mem-
bers and to strengthen philan-
thropic, creative and civic effort
of the community."

Mrs. W. E. Walker who was
president of the club from 1917
until 1921, will be hostess of the
tea and will be assisted by all
other past presidents who are
able to attend. Mrs. Harriet
Wright, president emerita, will
be the charter member who will
be honored guest for the day.

Federation leaders throughout
the Southland have been invited
to attend this celebration by Mrs.
John H. Robertson, president, and
among those who are expected to
be present are Mrs. Oscar Elv-
rum, district president; Mrs. Har-
ry E. Willis, county president;
Mrs. P. E. Willis, district press
chairman; Mrs. Edwin Slatery,
state press chairman; Mrs. Frank
C. Yokel, district registration
chairman, and Mrs. H. J. Bern-
hard, president of the Pasadena
Woman's Club.

H. R. Burnett, wood carving
artist who has exhibited success-
fully at leading art galleries in
Los Angeles will be the guest
speaker, and will exhibit many
of his beautiful carvings. Club
members wishing to entertain
friends on this occasion, have
been invited to do so by the
president.

Sierra Madre bridge fans are
fortunate to have an opportunity
to hear and consult Robert Lee
Johnson, one of the recognized
authorities on bridge on the Pa-
cific Coast who will be guest
speaker and conduct a question
box at the brunch and bridge
which will be given at the club
at noon, May 29, Mrs. H. B. Her-
sey is in charge of the affair
and is being assisted by Mrs.
William Lees and Mrs. W. S.
Hull.

Club members are asked by the
president to remember that on
the first Friday and Saturday in
June, the club will conduct a
rummage sale in the downtown
area, with Mrs. Lees in charge.
Those having any saleable articles
are asked to have them available
at that time.

—Margaret Eliason.

Spanish word sombra, meaning
shade. A sombrero is a kind of
broad-rimmed hat.
- 10—The girl must return the
engagement ring and any other
presents of value when the en-
gagement is broken off.

HEART ATTACK IS FATAL

A sudden heart attack at 7:30
o'clock yesterday morning at his
home claimed the life of Siegfried
Koerber, 61, of 180 North Moun-
tain Trail avenue. Mr. Koerber
was born in Vienna and had made
his home in Sierra Madre since
last November. Previous to that
time he lived in Los Angeles.

PUBLICATION PLEASES PATRON

This letter from another pleased patron of the SIERRA MADRE NEWS printery tells its own story:

Sierra Madre, Calif.
May 14, 1940

The Sierra Madre News
Sierra Madre, Calif.
Gentlemen:

I am greatly pleased with the book of poems just published for me by your printery and would highly recommend your work to anyone wishing to have printing done....I take this means of expressing my appreciation for the fine co-operation given me by your foreman and print shop employees.

Sincerely
ESTHER MAE COOPER.

Invariably there is some such expression of satisfaction and appreciation by patrons of the NEWS printery upon delivery of their work... They are pleased with the co-operation they receive... the painstaking care that goes into the work entrusted to us... quality of the product... and the price.

Your every printing need can be filled here satisfactorily, promptly and reasonably.

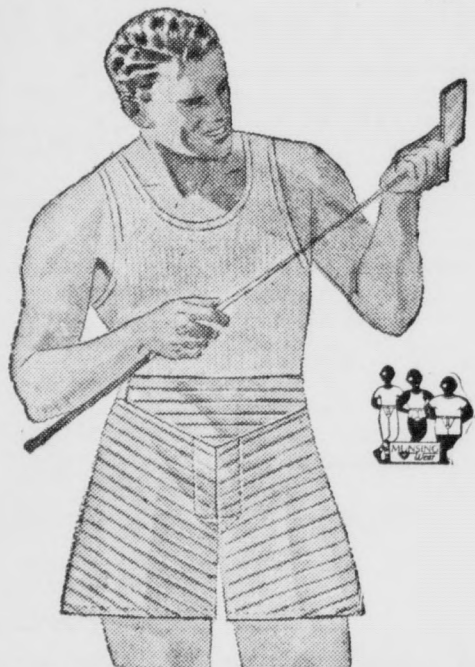

We print everything.

Do You Operate Under a

Fictitious Firm Name?

If so, have you complied with the requirements
of Section 2466 of the Civil Code, which says:
"Every person and every partnership transacting
business . . . under a fictitious firm name must file
. . . a certificate stating the name in full and the
place of residence of such person and the members
of such partnership?"

Such certificate must be published once a week
for four consecutive weeks.

If you have neglected this procedure, do you
realize that the name of your firm is not protected,
and that you are not entitled to maintain suits for
collection, or other purposes in the courts of the State
of California?

Take care of this important matter NOW by
having the Sierra Madre News publish certificate.

Consult your attorney or The News at once for
further information.

YOUNG married couples, housewives,
students, beginners in business — all
have need for the helpfulness of our
checking account service. This is one
of the best ways, too, for you to estab-
lish a banking connection, which will
grow in value as you grow in years.
Come in and talk it over if you wish.

YOU THINK
YOU'RE SMART**

And we don't doubt that you
are! Here's a chance to prove
your "K. Q." (Knowledge
Quotient) is above average.
Each week, in these columns,
you'll find a list of seven gen-
eral questions, one of them
illustrated.

How many of them can
you answer?

Guess Again

is fun for every member of the
family. Not too hard, not too
easy, "Guess Again" is enter-
taining and informative. And—
just in case you're not sure your
"X" went in the right place
—the answers may be found,
together with your "grade"
